

User Groups in Europe

Nicolas Desachy
November 23rd, 2016
@ndesachypro

European User Group

- 90% are GSE or GSE affiliated
- One GSE annual event in Germany / Nordic / UKI
- Few are using IMUC capabilities (mostly Tivoli)
- Most of the groups are meeting 2 – 4 times a year
- For the ones with bi-yearly meetings usually over 2 days

Belgium Netherland Luxembourg

BDB2D	DB2-Systemverwaltung	MU30D	U30- zTalents
ALDMD	Domino Enterprise Infrastructures	BWSPD	WebSphere
COPCD	IBM Workload Scheduler (IWS)	SMQSD	WebSphere MQ and Business Integration
AIMGD	Image Processing	SVMXD	z/VM, KVM und Linux on IBM z Systems
BSMSD	IMS-Systemverwaltung	SVSED	z/VSE mit CICS und DB2
MISMd	Information Security Management	SOSXD	zOS/390 (MVS)
BUNID	Internationalization of Legacy Applications	SMVMD	zOS/390 (MVS) - Mitte
CSP2D	IT Service and Production	SMVND	zOS/390 (MVS) - Nord
AAPLD	Language APL	SMVSD	zOS/390 (MVS) - Süd
		SMVWD	zOS/390 (MVS) - West

■ [WeDoWebSphere](#)

- Austria, Germany and Switzerland
- XING Group: 4000 members +
- Social platform, no meetings – Present @Cebit

■ [Tivoli User Group](#) – Austria

- 2 events per year – 2 days

Nordic: Denmark, Finland, Norway, Sweden

- GSE Nordic – 8 groups

GSE Nordic Region Conference 2017, 2-4 May 2017 Fornebu, Norway

– Yearly event Driven by CICS, DB2, IMS and Mainframe groups

- [Swedish Spectrum User Group \(Tivoli\)](#)

– Meeting Nov 2016

Central & Eastern Europe

- [Hungarian ITSM User Group](#)

– Meeting March 2016

- [Hungarian Tivoli User Group \(HUTUG\)](#)

– Meeting Dec 2016

■ 14 GSE Group

- 101 Working Group - #GSE101
- AIX / Linux Working Group - #GSEaix
- Application Development Working Group - #GSEappdev
- CICS - #GSEcics
- DB2 - #GSEdb2
- Enterprise Security (was RACF) - #GSEentsec
- IMS - #GSEims
- Large Systems - #GSElswg
- Mainframe, Skills & Learning - #GSEskills
- Networks - #GSEnet
- Storage Management Working Group - #GSEstore
- Software Asset Management - #GSEsam
- zCapacity Management & Performance Analysis - #GSEzcmpa
- zLinux Working Group - #GSEzlinux

■ 4 GSE affiliated

- Tivoli User Group (TUG)
- Websphere Integration User Group
- Websphere User Group
- International Red Brick User Group

Maximo UG
Tririga UG

Date	Description	Location	
2016-11-01	Annual GSE UK Conference (2 day event)	Whittlebury Hall	More Info

- A large number of technical streams including all the usual mainframe technologies plus
 - zCMPA (Capacity Management & Performance Analysis)
 - New Technologies
 - 101, the stream for newcomers or recent-comers to z
- Our opening keynote presentation, to be given this year by Ashok Reddy who is the General Manager responsible for CA's Mainframe Solutions Business Unit. His subject linking to our theme, is *Mission Essential in a World of Agile and Lean*
